## TERMS AND CONDITIONS:

1. The supplier/seller Tork Philippines, Inc. (TPI) shall have the right to take full possession of all equipment mentioned herein sold to the client/buyer and with the full understanding that all said equipment are still the property of TPI unless the amount is paid in full by the client (buyer) on time. TPI shall also have the right to sell these items even at below cost in case the client had not paid its obligations on time in order to recover the cost TPI have shouldered in advance on behalf of the client. However, if client/buyer decided to pay all the remaining balance due to TPI after the equipment had been pulled out, and if it is not sold by seller, TPI, then all the additional cost incurred by TPI in pulling out and returning back these, equipment plus all incidental charges shall be shouldered by the client/buyer.
2. In case the project site is not yet ready for the equipment to be delivered, TPI automatically store the equipment for safekeeping. Client will be required to pay TPI 100% full amount and will be charged with a five (5%) percent storage fee per month for undelivered items beyond thirty (30) days. Should the client fails to pay the 100% full amount in three (3) months, TPI automatically acquired the right of ownership to the equipment and disposed the same without consent to the client and whatever partial payment TPI had received from client shall no longer be returned by TPI to the client.
3. In the event that the unit is already out of warranty and has not been started up due to client project delay, TPI can provide startup of the unit one (1) month after received of written advice from the owner with corresponding fee subject for quotation.
4. This quotation shall take effect immediately once signed and accepted by Client and shall be considered as notice for TPI to proceed with the work.
5. Check payments must clear first before delivery.
6. Gate fees and permits during delivery are responsibility of the client.
7. A delivery charge maybe charged again if first delivery was unsuccessful due to client oversight.
8. Cancellation of PO is subject to twenty (20%) percent surcharge of total amount.
9. Client/buyer agrees to pay interest at the rate of three percent (3%) per month on all amounts not paid when due to TPI after two (2) weeks from date the billing was sent to the client.
10. In case the buyer fails to comply with its obligation for whatever reason, the matter is placed in the hands of an attorney for collection. The client/buyer agrees to pay additional fifteen percent (15%) of the contract price indicated in the

Delivery	:	Free delivery within Metro Manila only. For outside Metro Manila, delivery charges may vary depending on location.
Warranty	:	The equipment shall be guaranteed to be free from defects in material & workmanship under normal operation for a period of twelve (12) months from date of start-up or from date of delivery whichever comes first. This warranty excludes consumables like bearings, fan belts, motors, electrical parts and electronic components that may cause damage because of voltage and current imbalance due to abnormal power fluctuation, wrong phase of motor, very dirty environment and misalign installation mounting, improper operation of the units, fire, typhoon, earthquakes, any accident, vandalized or theft by others which occurs in client project site and other factors beyond our control.

**To avoid cancellation of warranty, Tork representative must be present during termination and start-up of unit specifically for units with three (3) phase motors.** Free inspection within Metro Manila. For areas outside Metro Manila, transportation cost will be charged accordingly.
